Welcome to the Orthopedic Surgery Residency Program at Ocala Regional Medical Center

The Orthopedic Surgery Residency Program at Ocala Regional Medical Center is part of the HCA Healthcare Graduate Medical Education network. HCA Healthcare is the nation's leading provider of quality, patient-centered care. We are also the leader in graduate medical education, all brought together by a single mission:

Above all else, we are committed to the care and improvement of human life.

ACGME ID: 2601100222

Tracks & Positions

Tracks	NRMP #	Available Positions
Categorical	1587260C0	3

Salary

	PGY1	PGY2	PGY3	PGY4	PGY5
	\$53,884	\$55,456	\$58,590	\$60,630	\$62,630

Total Salary	\$54,834	\$56,406	\$59,540	\$61,580	\$63,580

To all prospective applicants, I appreciate that you are taking the time to learn more about us, and I thank you for your interest! We believe that our orthopedic residency program offers a full range of orthopedic training, as well as research and advocacy opportunities.

We expose our residents to a variety of clinical settings from a pediatric specialty hospital to an immersive orthopedic oncology rotation to the outpatient surgical center setting to the inpatient orthopedic service at our primary hospitals, Ocala Regional Medical Center (Level II Trauma Center) and West Marion Community Hospital. Residents will train in a variety of private practice, group practice, and institutional models of physician organizations.

Residents are encouraged to research and support is provided for all of our residents to conduct clinical and basic science research. Institutional support is available to help formulate questions, scan the literature, test hypotheses, analyze data, publish manuscripts and prepare presentations. Residents will compete at state-level resident competitions as well as enter into national conference scholarship awards.

At the end of the day though, residents will work together to shape one of the newest – and soon to be one of the best – orthopedic surgery residency programs in the nation.

I pledge to oversee a residency of dedicated trainees who seek to be ethical, moral, compassionate, and inquisitive. Together we will build something amazing.

Yours truly,

James P. McFadden, MD

About the Program

Program Curriculum Highlights

PGY1

Rotation	Duration in Months
Pediatric orthopaedics	2
Neuro ICU	1
Orthopaedic trauma	2
General surgery	1
Radiology	1
Anesthesia	1
Vascular surgery	1
Plastics/burn	1
General orthopaedics	2

PGY2

Rotation	Duration in Months
General orthopaedics	4
Orthopaedic trauma	2
Pediatric orthopaedics	2
Sports medicine	4

PGY3

Rotation	Duration in Months
Foot and ankle	4
Spine	4
Hand and upper extremities	4

PGY4

Rotation	Duration in Months
Orthopaedic trauma	4
Adult reconstruction	4
Orthopaedic oncology	4

PGY5

Rotation	Duration in Months
Pediatric orthopaedics	2
General orthopaedics	4
Hand and upper extremities	4
Advanced clinical experience	2

About HCA Healthcare GME

HCA Healthcare is a comprehensive healthcare network with over 275,000 colleagues across more than 2,000 care facilities all committed to creating a positive impact every day. We continually invest in our colleagues and facilities to better serve our patients and local communities. The Graduate Medical Education (GME) programs seek to inspire tomorrow's physicians to care for and improve human life by focusing on patient-centered approaches to practicing the latest evidence-based medicine.

To learn more about the benefits and expectations of training with an HCA Healthcare program, view our [Resident and Fellow Manual](#).

Scholarly Activity

HCA Healthcare Graduate Medical Education provides a critical link between vigorous scholarly activity and real-world patient care from a sophisticated data repository of more than 32 million patient encounters each year.

2,500+ HCA Healthcare GME scholarly activities in 2020-21.

Clinical Training

Each year approximately five percent of all U.S. hospital services happen at an HCA Healthcare facility, including:

32+ million patient encounters
7.4 million emergency room visits
215,000+ babies delivered

HCA Healthcare Graduate Medical Education is a leader in clinical experience.

- Nationally known physician expertise across the country
- Investments in facilities allowing the advancement of patient care
- High emphasis on simulation results and low patient incidents
- Higher patient touch than academic facilities
- Annual collaborative mass casualty event team training

A commitment to scholarly activity

Based on more than 32 million patient encounters each year, our scholarly activity bridges the gap between compelling evidence and exceptional patient care.

Our experiential learning is rooted in evidence-based medicine that leads to innovative, **real-world patient health solutions**.

Merging the rigor of **ACGME** accreditation with high patient touch, our residents and fellows deliver evidence-based care that demonstrates our mission to care for and improve human life.

We offer **National Grand Rounds** that leverage accomplished clinical expertise from across HCA Healthcare, bringing the nation's leading medical experts to our residency and fellowship programs.

Influential Collaboration

HCA Healthcare residents and fellows have access to talented, highly skilled teams of faculty, industry experts and dedicated researchers to guide them through their journey. Residents and fellows produce evidence that drives future practice by leveraging HCA Healthcare's national clinical data warehouse – the heart of our data ecosystem.

HCA Healthcare Scholarly Commons is a platform to collect, share and publish the variety of academic work created by the Graduate Medical Education community. During 2020, readership of those works eclipsed the 25,000 mark. Included on this platform is the **HCA Healthcare Journal of Medicine**, a peer reviewed scientific periodical focused on innovation, enhanced quality and developing new knowledge in clinical care and medical education for the benefit of all patients. In its first year of publication, the journal disseminated 86 articles in six issues as well as a seventh special issue on the COVID-19 pandemic.

About HCA Healthcare

HCA Healthcare is one of the nation's leading providers of healthcare services and is comprised of 186 hospitals and more than 2,000 sites of care including surgery centers, freestanding ERs, urgent care centers, diagnostic and imaging centers, walk-in clinics and physician clinics in 20 states and the United Kingdom. With its founding in 1968, Nashville-based HCA Healthcare created a new model for hospital care in the United States.
